

Synchro Seminar with Christopher Stokes

The SCNB Synchronized Skating Committee is excited to announce that Christopher Stokes will be conducting a synchronized skating seminar!!

Christopher is a National Certified coach based in Oakville ON. He is Chair of the SC Coaching Development Committee, a technical controller in singles and synchronized skating and also a technical specialist in singles, pairs and synchronized skating.

The seminar will be held in **Bathurst** at the **K.C. Irving Centre** on **Saturday October 7 2017**. This seminar is available to skaters on juvenile teams and up and coaches. A try-it-out session will also be available to skaters STAR 4 and up who want to try synchro for the first time.

The synchro seminar will be a one-day seminar. Skaters may be divided into groups at the discretion of the Synchronized Skating Committee. There will be a limited number of spots available and applications will be accepted on a first come first served basis for all skaters with priority given to NB skaters.

Never coached synchro before but would like to attend as an observer? Absolutely, go for it! This hands-on opportunity is your chance coaches to learn about synchro.

Never skated on a synchro team before, but would like to try it out? A one hour try-it-out session will also be available to skaters STAR 4 and up who want to try synchro for the first time.

Off-ice activities will be arranged throughout the day. More details to follow. Please bring a lunch.
