

2017-2018 SCNB Element Event
Technical Package
Effective July 1, 2017

July 23, 2017

EVENT PROCEDURE
Each skater will have a maximum of 2 minutes 30 seconds beginning when they are announced to complete their elements
Elements will be assessed by a referee, technical panel, and a judging panel resulting in a technical score for each skater
The order of elements will be drawn and posted on the first day of competition. The 6 elements will be listed as Axel Jump, Jump, Jump Combination, Spin 1 (first listed for category), Spin 2, Step Sequence.
Skaters are not required to submit planned program sheets for element events
Warm-up group sizes and lengths will match those of programs at the same level at the discretion of the technical representative
