## Refunds, Exhibitions and Skating Up

REFUND OF ENTRY FEES: Entry fees shall be refunded only if the event is not held or if the entry is withdrawn before the date of closing of entries.

If only one skater is entered in a category, that skater has the option to compete in the next highest category (if possible), skate an exhibition or withdraw from the competition. The LOC will contact the skater and the skater will have 48 hrs to convey their decision back to the LOC and this decision shall be final. If an answer is not received, the category will be cancelled.

At the discretion of the technical representative, if there are fewer than three participants in a category with age divisions, this category may be combined with the same level of category with a different age division.

Skaters wishing to skate an exhibition will be charged the regular skating fee. This fee will include feedback from the judging panel via the ISU report card. No medals are awarded for exhibition skates.

## Schedule

The schedule will be made available on the Skate Canada NB website. Electronic mail will also be the primary method of communication with Skaters and Coaches.

Competition at all SCNB sanctioned events shall NOT commence before 8 am or be scheduled to conclude any later than 10 pm (4 pm on Sundays).

**Note that the Technical Representative and the LOC reserve the right to cancel categories for reasons of logistical constraints. Any such decision will be communicated accordingly to the membership via email and/or the Skate Canada NB website.**

THIS ANNOUNCEMENT IS SUBJECT TO CHANGE – Any rules or communications published by Skate Canada or the ISU may have an impact on the announcement.
