

I would like to welcome skaters, coaches, officials, volunteers and spectators to the 2020 Skate Canada Sectional Championships!

Congratulations to all skaters and coaches in their journey to these Sectional Championships. Whether this is the peak of your competitive season or a step towards qualification for the 2020 Skate Canada Challenge and the 2020 Canadian Tire National Figure Skating Championships, never forget all the hard work and dedication it took to get to this point. You have achieved so much already!

All National Team members, at one point in time, stood in your shoes and competed at their Sectional Championships. As you strive to attain your goals during this championship event, realize that many individuals played a part in this process and your journey.

To all parents, thank you for supporting your children as they push themselves to new levels both on and off the ice. Along with their coaches, your belief in them is the most valuable gift you can give them as they continue to grow and excel.

Together with all volunteers who make these events possible, I would like to thank the officials for their time and expertise. Skate Canada is extremely fortunate to have a volunteer base who is committed to the vision of inspiring all Canadians to embrace the joy of skating through the pursuit of excellence in events such as these.

Best of luck to all skaters this week!

Sincerely,

Leanna Caron,

President, Skate Canada
